

# First Coast Chapter

BMW Car Club of America

July-August-September 2014

Dear David,

Hello fellow First Coast BMW CCA Members. I hope your Summer is going well. So far we have enjoyed and been busy planning fun club activities.

As the Summer moves on, we have planned some fun events and would love to have you attend. Whether it's the Drive and Dine to San Sebastian winery in August or the Tire Rack Street Survival Safety school or the Sebring trip in September, we have something for you.

See you at the next event!!

### Drive n' Dine- Fernandina Beach July 12

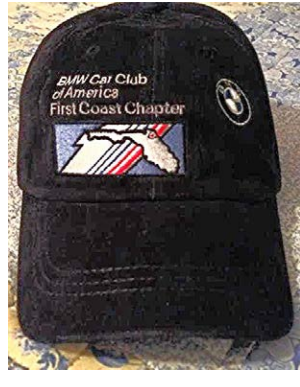

Our first Drive n' Dine this year. We convened at the Gate Station on 295 and Heckscher Dr at Noon. We lined up and despite some "difficult" weather, made it to Brett's Waterway Cafe in short order.

There was a terrific turnout including some new members and our friends who made the the trek from Savannah!

Thank you to all who braved the rain!

Driving Schools are one of the most exciting, entertaining, and educational events that you can participate in as a car enthusiast. They provide the student with the opportunity to operate his or her car at speed in a safe, controlled environment. The school will allow the student to experience, identify, and begin to master the art and science of car control and vehicle dynamics. In addition you will discover that the event will be a venue for meeting new friends and having an enormous amount of fun.

The Peachtree Chapter has been offering Driving Schools for over 20 years and the feedback we receive from students and instructors tells us that we offer the best run, most student focused schools available. The whole reason we do this is to provide you with the opportunity to LEARN HIGH PERFORMANCE DRIVING, BE SAFE, and above all HAVE FUN!

For more information and details about the school please visit: facebook page.
